JAPAN-AMERICA SOCIETY OF GEORGIA

MISSION

To promote mutual understanding between the people of Japan and the State of Georgia through establishing and promoting ties and programs in the areas of business, culture, customs, education, commerce and politics.

VISION STATEMENT

The Japan-America Society of Georgia's vision is to make Georgia the most desirable place in North America for Japanese and other international visitors to live and work – and to make Georgia's citizens and businesses the most internationally aware in North America.

The Japan-America Society of Georgia will meet those goals by joining with like-minded organizations and institutions to build appreciation of international culture and commerce in Georgia. At the same time, we will keep our own identity as the bridge between Japan and Georgia, between Japanese visitors and Georgia's citizens, between Japanese and American corporations doing businesses in Georgia, and between Japanese and American families in Georgia.

We will reach out to Japanese business people and their families, anticipating and fulfilling their needs. We will also reach out to Georgians with a message that international business and tourism are important to Georgia's future, and understanding Japanese culture and business practices is a way of contributing to the state's growth.

PIEDMONT DRIVING CLUB

This year, the Society is proud to hold its Bonenkai Holiday Celebration Gala at the Piedmont Driving Club, one of the most prestigious private clubs in the South. Founded in 1887 originally as the Gentlemen's Driving Club, the name reflected the interest of the members to "drive" their horse & carriages on the club grounds. The club later briefly used the adjacent grounds as a golf course until it sold the land to the city in 1904 to create Piedmont Park.

With its historic Midtown clubhouse overlooking beautiful Piedmont Park and its superb Camp Creek golf facility, the Club offers golf, tennis, swimming, squash, fishing and fitness activities, as well as multiple dining and social event services for the enjoyment of its members and their guests.

Not far from the club itself are some of Atlanta's largest companies and universities: Coca Cola headquarters, Georgia Tech, AT&T, Emory, and Georgia State. Midtown also houses Atlanta's biggest tourist attractions – The Georgia Aquarium, The Georgia Dome, World of Coca Cola, Philips Arena, The FOX Theatre, Turner Field, Centennial Olympic Park, and much more!

Guest Performers

Kyle Abbott had dedicated over 14 years to playing and building shamisen. He is the author of the world's first authoritative shamisen building/playing manual, 'Shamisen of Japan', and is the founder of Bachido. Bachido is the world's first international shamisen community. Featuring hundreds of hours of educational resources, Kyle has spearheaded a global push to make shamisen instruction accessible for everyone. With over 2,440 members worldwide, beginners and professional players unite to connect, learn and inspire each other.

Mike Penny has received numerous awards for his innovative compositions and performances using the Tsugaru Shamisen. He received the Japan Foundation's Uchida Fellowship, which allowed him to study the instrument with Tokyo's highly respected Tsugaru shamisen sensei Fukushi Toyoaki. Mr. Penny has given hundreds of public performances and continues to perform regularly as a solo artist and in various groups including the Taiko Center of Los Angeles. He has become well known through his many viral video performances on YouTube and has gained a following for his unprecedented style of shamisen playing which combines traditional and extended techniques in a variety of musical contexts including jazz, Balkan folk, Western classical, and popular music in a fusion of both east and west, past and future. In addition to performing and teaching shamisen, he works for the Japan Foundation, Los Angeles.

Junko Fujiyama is a Japanese singer-songwriter/keyboard & piano player who performs all over the United States. She has performed at various cultural events (such as Japan Fest Atlanta, National Cherry Blossom Festival in DC), anime conventions, music festivals, and dinner parties. She plays her original songs and also covers J-pop/rock and anime themed songs. Check out more of her

work and info at www.reverbnation.com/junkomusic.

Junko will perform with **Anthony Daniel** on bass, **Ken Williams** on drums, and **Shinn "Shinnbone" Uehara** on guitar.

Anthony Daniel

Bassist Anthony W. Daniel began studying classical music on the upright bass at age 10. He has performed with several orchestras in Georgia, which helped Anthony get his foot in the door with various artists, performing gospel, and various forms of jazz, rock, r&b and latin. He has had the opportunity to perform in the British Virgin Islands, the Caribbean Islands and various places in the United States just to name a few. He is the co-founding member of the band EXphaktah. A band that plays various styles of music for any occasion. Some of the artist that he has performed with are jazz & gospel pianist Ben Tankard, Little Richard, Shirley Ceasar, R&B artist Cherrelle, blues artist Calandra King and many others. His influences are bassist Marcus Miller, John Patitucci, Victor Wooten, and Scott Ambush. He is also a member of the Atlanta Society of Composers, Authors and Publishers.

Ken Williams

Ken Williams grew up in Wichita, KS and later moved to Atlanta, GA. He started playing drums at the age of two and began playing in church at the age of eight. Ken's influences are many ranging from jazz players to the second-line drummers in New Orleans such as Stanton Moore from Galactic. Ken has played in bands of many genres and is constantly pursuing new levels in his musical life by watching great musicians and learning from others. Ken also plays saxophone.

Shinn Uehara

Shinn "Shinnbone" Uehara was born in Japan, then spent most of his teenage years in Bolivia. He started playing the guitar seriously at 15 while still living in South America, playing in bands that performed at events ranging from sweet 16 parties to large festivals. After moving to the US and settling in Atlanta, Shinnbone became active in the local music scene. In the past 20 years he has performed with such artists as Blind Slim, the Blues in the Alley House Band, Cathy Carlisle, the Infinite Sound Family, Madoca, Chick Willis, and more.

Dear JASG Members and Friends:

As we near the close of the year, we believe that we can look back with pride upon the significant accomplishments of the Japan- America Society of Georgia for 2018. We hope that you share our view that the activities of the Society have helped to foster mutual respect and understanding between the Japanese and American communities and have benefited the Atlanta and Georgia communities significantly.

In order to enable the Society to continue to accomplish its mission, we ask that, in the holiday season spirit of peace, joy and charity, you please join me in making a year-end contribution to the Society. No contribution is too small, and we can assure you that your tax-deductible donation will be put to good use in the coming year and beyond. You may wish to check to see if your employer matches your contributions to charitable organizations such as the Society. Further, if you would like to designate a gift in honor of a friend, client or family member, we would be happy to acknowledge your gift in our Society's newsletter and, if you like, advise the person honored of your kindness.

For all donations made over \$50, the Society will present a JASG T-shirt, as well as a copy of its documentary film, "The Japan-America Society of Georgia: The Bridge Between Georgia and Japan," as a gift.

Please make checks payable to the Japan-America Society of Georgia. Should you wish to make a pledge via credit card, please contact the Japan-America Society at (404) 842-1400 or visit the donation page on the Society's website at www.JASGeorgia.org.

On behalf of the Society, please accept my sincere thanks for your friendship and support. We wish you and your family a peaceful, joyous, healthy and happy holiday season and a prosperous new year.
