Dear JASG Members and Friends:

As we near the close of the year, we believe that we can look back with pride upon the significant accomplishments of the Japan- America Society of Georgia for 2020. We hope that you share our view that the activities of the Society have helped to foster mutual respect and understanding between the Japanese/American communities and have benefited the Atlanta-Georgia communities significantly.

In order to enable the Society to continue to accomplish its mission, we ask that, in the holiday season spirit of peace, joy and charity, you please join me in making a year-end contribution to the Society. No contribution is too small, and we can assure you that your tax-deductible donation will be put to good use in the coming year and beyond. You may wish to check to see if your employer matches your contributions to charitable organizations such as the Society. Further, if you would like to designate a gift in honor of a friend, client or family member, we would be happy to acknowledge your gift in our Society's newsletter and, if you like, advise the person honored of your kindness.

For all donations made over \$50, the Society will present a JASG T-shirt, as well as a copy of its documentary film, "The Japan-America Society of Georgia: The Bridge Between Georgia and Japan," as a gift.

Please make checks payable to the Japan-America Society of Georgia. Should you wish to make a pledge via credit card, please contact the Japan-America Society at (404) 842-1400 or visit the donation page on the Society's website at www.JASGeorgia.org.

On behalf of the Society, please accept my sincere thanks for your friendship and support. We wish you and your family a peaceful, joyous, healthy and happy holiday season and a prosperous new year.
