JAPAN-AMERICA SOCIETY OF GEORGIA

MISSION

To promote mutual understanding between the people of Japan and the State of Georgia through establishing and promoting ties and programs in the areas of business, culture, customs, education, commerce and politics.

VISION STATEMENT

The Japan-America Society of Georgia's vision is to make Georgia the most desirable place in North America for Japanese and other international visitors to live and work – and to make Georgia's citizens and businesses the most internationally aware in North America.

The Japan-America Society of Georgia will meet those goals by joining with like-minded organizations and institutions to build appreciation of international culture and commerce in Georgia. At the same time, we will keep our own identity as the bridge between Japan and Georgia, between Japanese visitors and Georgia's citizens, between Japanese and American corporations doing businesses in Georgia, and between Japanese and American families in Georgia.

We will reach out to Japanese business people and their families, anticipating and fulfilling their needs. We will also reach out to Georgians with a message that international business and tourism are important to Georgia's future, and understanding Japanese culture and business practices is a way of contributing to the state's growth.

PIEDMONT DRIVING CLUB

This year, the Society is proud to hold its Bonenkai Holiday Celebration Gala at the Piedmont Driving Club, one of the most prestigious private clubs in the South. Founded in 1887 originally as the Gentlemen's Driving Club, the name reflected the interest of the members to "drive" their horse & carriages on the club grounds. The club later briefly used the adjacent grounds as a golf course until it sold the land to the city in 1904 to create Piedmont Park.

With its historic Midtown clubhouse overlooking beautiful Piedmont Park and its superb Camp Creek golf facility, the Club offers golf, tennis, swimming, squash, fishing and fitness activities, as well as multiple dining and social event services for the enjoyment of its members and their guests.

Not far from the club itself are some of Atlanta's largest companies and universities: Coca Cola headquarters, Georgia Tech, AT&T, Emory, and Georgia State. Midtown also houses Atlanta's biggest tourist attractions – The Georgia Aquarium, The Georgia Dome, World of Coca Cola, Philips Arena, The FOX Theatre, Turner Field, Centennial Olympic Park, and much more!

Madoka Oshima Trio

Madoka Oshima was born in Tokyo, Japan. She showed a strong interest in music from an early age, and began taking formal piano lessons at the age of six. Madoka moved to the US in 2002, first lived in New Orleans, Louisiana, where she began to study jazz seriously. She relocated to Atlanta, GA in 2005 and gained a full-scholarship in piano performance at a music school and completed a music degree. Madoka is active as a performer in Atlanta area in a variety of genres including jazz, classical, R&B, rock, and gospel since 2007. Her original project MO PLUS/Madoka Oshima Piano Trio is a blend of different styles and known for its unique sound. The trio has performed concerts and events in the city including Jazz Matters concert series, Japan Fest, Realto Center for The Arts jazz series "Feed Your Senses," Atlanta Masonic Center, Japan America Society events, Churchill Ground Jazz Club, jazz concerts in Tokyo, Japan, just to name a few.

Tonight's trio consists of Madoka Oshima (piano), Craig Shaw (bass), and Kwame Gooden (drums).

Visit www.MadokaOshima.com to learn more about Madoka Oshima and how to book her at your events.

Dear JASG Members and Friends:

As we near the close of the year, we believe that we can look back with pride upon the significant accomplishments of the Japan- America Society of Georgia for 2019. We hope that you share our view that the activities of the Society have helped to foster mutual respect and understanding between the Japanese/American communities and have benefited the Atlanta-Georgia communities significantly.

In order to enable the Society to continue to accomplish its mission, we ask that, in the holiday season spirit of peace, joy and charity, you please join me in making a year-end contribution to the Society. No contribution is too small, and we can assure you that your tax-deductible donation will be put to good use in the coming year and beyond. You may wish to check to see if your employer matches your contributions to charitable organizations such as the Society. Further, if you would like to designate a gift in honor of a friend, client or family member, we would be happy to acknowledge your gift in our Society's newsletter and, if you like, advise the person honored of your kindness.

For all donations made over \$50, the Society will present a JASG T-shirt, as well as a copy of its documentary film, "The Japan-America Society of Georgia: The Bridge Between Georgia and Japan," as a gift.

Please make checks payable to the Japan-America Society of Georgia. Should you wish to make a pledge via credit card, please contact the Japan-America Society at (404) 842-1400 or visit the donation page on the Society's website at www.JASGeorgia.org.

On behalf of the Society, please accept my sincere thanks for your friendship and support. We wish you and your family a peaceful, joyous, healthy and happy holiday season and a prosperous new year.
